BOARD MEETING

President Ferron called the meeting to order at 7:00 pm., A quorum was present. Topics to bring to the membership was reviewed. D.J. for up coming cruise season. Cruise theme to be added to Face Book, calendar and flyers. Approach car dealers for cruise night sponsorships. Mass Cruisers schedule change. Whether to change our schedule to adjust to Mass Cruisers Schedule or not. Cancellation of our cruise nights due to weather, when to cancel. The President will make the decision. Meeting adjourned 7:30pm

1930 Body Shop

Saturday 25th at noon was decided for cleaning the Hot Rod Café.

MEMBERS MEETING

President Ferron called the meeting to order at 7:30pm. Seventeen members were present.

Following the pledge of allegiance and club prayer. the Secretary's report and Treasurers report were read. A motion to except and seconded opened the reports for discussion. Having none the members voted to except both reports as read.

The membership was presented with the topics discussed at the Board Meeting.

All topics were discussed and excepted by the membership.

A different manufacturer will be featured at selected cruise nights. Example, Ford Chevy, Chrysler etc. Car dealers will be asked to sponsor the night by bringing representations of their new model cars. Of course, this is in addition to all vehicles and classic cars already attending our cruise. A motor cycle night will be included. Flora will approach Monti's.

The two-car pick of the night will continue this year. The picks will follow the manufacturers' theme, example Ford, Chevy etc.

Forgotten treasures was discussed and agreed. Our cruises will be open to different types of vehicles, machinery for example, antique police and fire apparatus, farm tractors, hit and miss engines.

Sponsor plaques are being finalized and should be ready. Ed Charlebois is heading this up.

Ken McCloud will be selling sponsor plaques. All members are asked to get involved and sell plaques to defray the cost of our annual car show.

MEMBER MEETING CON'T

A presentation lengthily presentation was given by Gary Ahern a professional DJ.

Gary has 25 years' experience doing weddings and other functions. He brings to our cruise nights a fresher approach to the format and music heard at our events. He has visited our cruise night to get a feel for what we do and how he can contribute. Gary can offer newer music to appeal to the younger crowds attending our events. Also, he brings newer equipment and better placement of speakers to improve the sound. He will promote Troy and other vendors at our cruise nights, make announcements and promote the 50/50 and Hot Rod Café. He is the same price as Dom would charge, he does not expect payment for rain outs or cancelations. He only asked that we notify him at noon. He has expensive equipment; we will look into cover for his equipment. The annual cruise date maybe a problem but he will provide a fill in if he has another engagement. He also is flexible, if something isn't working he will change. The rate for the annual cruise will be double the regular rate. He can also do wireless speakers so the sound can be spread out over the lot. He wants to make our cruises a success and provide quality sound. Membership approved using Gary for our cruise night music
